

SECOND GAUTENG CATALYSIS SEMINAR CALL FOR ABSTRACTS

The venue: Building 21, Prestige Auditorium, TUT, Pretoria West Campus, Pretoria.

Tuesday 28 March 2023

Overview

This seminar offers the staff and students from TUT, UJ, Wits, Mintek and UNISA the opportunity to interact and communicate their research their respective institutions. Two to three Postgraduate students from TUT, UJ, Wits, Mintek and UNISA will be offered the opportunity to present their research work at this seminar. In this seminar, we will also host Professor Graham Hutchings from Cardiff University (UK) as our keynote speaker.

The meeting will be held at Tshwane University of Technology on **Tuesday of the 28th of March 2023** from 9 am to 3 pm. The students will be given the opportunity to present their research for 20 mins (15 mins talk plus 5 mins discussion/question time). The facilities allows for both face to face and virtual participants.

We are pleading with the supervisors to nominate students to present their work at this seminar. We are looking forward to see you at this seminar and your participation will ensure that this event becomes a success.
